

## **2022 KITCHEN & BATH CATALOG**

SINKS | FAUCETS | ACCESSORIES | AND MORE!

For over two decades, Whitehaus Collection® has been raising the bar by providing elegant, dynamic, finely crafted kitchen and bath fixtures that surpass industry standards, transforming those two most important rooms in the home into reflections of the homeowner's personal style. Our original designs and imports range from the traditional to contemporary, in a broad selection of styles and finishes for sinks, faucets and accessories.

Whitehaus Collection® travels the globe to discover the best quality material that the world has to offer. Our designs are inspired by the art, culture and architecture of international cities, exquisitely detailed and essentially pragmatic. The result of this, of course, are the unique designs and unsurpassed quality for which Whitehaus Collection® is renowned. Aesthetically pleasing and crafted to stand the test of time, Whitehaus Collection® is renowned for offering superior products that provide fresh alternatives to those with distinguished taste.

With decades of expertise, Whitehaus Collection® strives toward incorporating the latest innovative technology, eco-friendly materials and water-efficiency standards while sustaining the quality and durability of its products. With that in mind, Whitehaus Collection® products comply with most common U.S. standards which include: cUPC, low-lead/AB1953, NSF/ANSI61 and WaterSense. Whitehaus Collection® provides superior craftsmanship and quality in all its products.

#### Whitehaus Collection® products carry a full warranty against manufacturing defects and workmanship.

Whitehaus Collection® products are warrantied for normal use only and exclude defect or damage caused by or resulting from misuse, abuse, neglect, scratches, dents, abrasives, chemicals or improper installation/care/maintenance (whether performed by a plumber, contractor, service provider, or unqualified person). This warranty does not apply to replacement of components where damage is caused by normal wear and tear, dirt, limescale, aggressive air and water conditions, harsh or abrasive cleansers or materials. A copy of the end-user's original receipt is required as Proof of Purchase to file a Warranty claim. Dealer's purchase order number or Whitehaus Collection® invoice number will not be accepted as Proof of Purchase. If a product is found to be defective, the limit of damage is the cost of the defective material. Whitehaus Collection® reserves the right to discontinue or modify any product or product warranty. This warranty is non-transferable. Whitehaus Collection® is not liable for consequential damage, labor, loss, or expense of any nature whatsoever.

Whitehaus Collection® Stainless Steel Sinks: Whitehaus Collection® Stainless Steel sinks (except Decorative Prep sinks) and Utility Series sinks are warrantied to be free of manufacturing defects of both material and workmanship for a period of 5 years. Harm caused by improper cleaning, maintenance or installation is the sole responsibility of the purchaser, and is not covered by the manufacturer's warranty. Noah Plus Collection Stainless Steel sinks special finishes (Brass, Copper, Gunmetal, Matte Black) are not covered under warranty.

Whitehaus Collection® Fireclay Sinks: Whitehaus Collection® Fireclay sinks carry a limited warranty to be free of manufacturing defects of both material and workmanship. Whitehaus Collection® Fireclay sinks also carry a 10 year warranty against fading and staining of the glaze. Harm caused by improper cleaning, maintenance or installation are the sole responsibility of the purchaser and are not covered by the manufacturer's warranty. Any cracks and chips due to misuse, damage or improper installation; whether performed by a plumber, contractor, service provider, or unqualified person may not be claimed under manufacturer's warranty.

Whitehaus Collection® Decorative Prep Sinks: Whitehaus Collection® and Decorative Prep sinks in stainless steel, copper and brass are warrantied to be free of manufacturing defects of both material and workmanship for a period of 5 years. These handmade sinks are a living finish material, that is by nature, uneven and may vary in color and pattern to where it never stops changing. Therefore, the finish and handmade variations may not be claimed under manufacturer's warranty. Harm caused by improper cleaning, maintenance or installation is the sole responsibility of the purchaser and is not covered by the manufacturer's warranty.

Whitehaus Collection® Kitchen Faucets: Whitehaus Collection® Kitchen Faucets and Pot Fillers carry a limited warranty to be free of manufacturing defects of material and workmanship (such as the casting of the faucet). Internal mechanical/components (such as diverters, O-rings, cartridges, side spray, and pull-out hoses) are warranted for a period of 5 years from date of original retail purchase. The limited warranty does not apply to finished components installation, maintenance, modifications, repair, abuse, misuse, neglect or replacement of components where damage is caused by normal wear and tear. This limited warranty does not cover and Whitehaus Collection® shall not be responsible for any labor charges, injuries, incidental or consequential damages. Whitehaus Collection® Chrome/Polished Stainless Steel and Brushed Nickel/Brushed Stainless Steel finishes are warranted for 5 years. Special finishes\* are warrantied for 1 year and living finishes carry a 90 day warranty.

Whitehaus Collection® Point of Use: Whitehaus Collection® Instant Water dispensers and Forever Hot® Tanks are warrantied to be free of manufacturing defects on both material and workmanship for a period of 1 year. All finishes for Instant Water Dispensers are warrantied for 1 year.

Whitehaus Collection® Kitchen Accessories: Whitehaus Collection® Garbage Disposal, Grids, Colanders, Basket Strainers, Touchless Faucet Aerator, and Soap Dispensers all carry a 1 year warranty against manufacturer's defects. Accessories in Chrome and Brushed Nickel finishes have a 1 year warranty. All other special finishes\* carry a 90 day warranty.

Whitehaus Collection® Replacement Parts: Whitehaus Collection® Replacement Parts are FINAL SALE and carry a 90 day warranty.

\*Faucet Special Finishes: Brass, Antique Brass, Polished Brass, Copper, Antique Copper, Pewter, Polished Nickel, Satin Chrome, Gun Metal, and Oil Rubbed Bronze. Please be advised that all special finishes within Whitehaus Collection®'s product offering may vary due to the nature of raw materials during finishing process. All special finishes will blend but may not be exact.

### **TERMS AND CONDITIONS**

Returns: All goods must be counted and inspected within 24 hours of delivery. Please contact our Returns Department toll-free at (800) 527-6690, Monday through Friday 9:00 AM to 5:00 PM EST, prior to making a claim for defective merchandise. No merchandise may be returned for credit or replacement without Return Goods Authorization request and approval. No item will be accepted for return more than 30 days from date of shipment from manufacturer. All Farmhaus Fireclay sinks are Final Sale and will not be accepted for return under any circumstance. Installation constitutes acceptance of the product. Authorized returns must be received by Whitehaus Collection® prior to the RGA expiration date. RGAs will not be reissued for expired returns. Returned merchandise must be in quality resalable condition and shipped prepaid in its original packaging. A restocking fee of 35% will be applied to all resalable items returned that are found not to be defective. All returns with Re-orders are subject to a 15% restocking fee. Re-orders must be submitted within 14 days of the Original Order. Re-orders received after the 14 day period will be processed as Regular Orders and the returned items will be subject to a 35% restocking fee.

To expedite the processing of Returned Goods Authorization requests, please complete all fields on the RGA request form, including a detailed reason for return, list of repairs attempted, and original invoice number. **No** returns will be accepted without this information. Whitehaus Collection® is not responsible for any delays in delivery which are beyond our control such as strikes, delays in transportation or production, or any contingencies of similar character.

### Authorized Returns for manufacturer's credit only. Unauthorized Returns will be shipped back to the Customer at the Customer's expense.

<u>Damaged Items</u>: Damaged items are not the same as defective items. All shortages and visible damage should be noted on the original Bill of Lading before it is signed. If an item is received damaged, you or your customer have the responsibility of reporting all shortages, visible and concealed damages to Whitehaus Collection® within 48 hours of delivery. Whitehaus Collection® will not accept these items for return. Whitehaus Collection® will not be held liable for any shortages or damages if a claim is not reported within the designated time frame. Please take digital photos of all shipping materials and packaging as well as the damage to the item and e-mail the images to: info@whitehauscollection.com or analia@whitehauscollection.com. If you are not sure if the item you received is damaged or defective you have the responsibility to contact Whitehaus Collection® within 48 hours of delivery at (800) 527-6690.

<u>Defective Items:</u> All defective items are subject to inspection by Whitehaus Collection<sup>®</sup>. Please be prepared to provide photographs or return the product for inspection if requested. Whitehaus Collection<sup>®</sup> will repair or replace defective items at its discretion. An additional charge will be incurred, when necessary, for reconditioning. Variations in color, shade, grain, tonality, veining, and texture are inherent characteristics thereof and not defects. **Rush shipping will be at the expense of the user.** 

<u>Cancellations:</u> Cancellation requests must be submitted in writing via facsimile to our order department at (800) 694-4837. Orders may not be cancelled without the expressed written permission of Whitehaus Collection®. Written cancellation of back-ordered items must be received via fax and confirmed by Whitehaus Collection® prior to shipment. Special Order items as listed in this price book, and sinks with extra hole drilling, may not be cancelled.

<u>Terms of Sale:</u> 2% 10 days/net 30 days from date of invoice. The 2% cash discount is not extended to C.O.D. shipments. A late payment charge of 1½% per month will be applied to all past due invoices; annual rate of 18%. It is agreed that all expenses incurred for collection as well as attorney fees, if necessary, will be added to the amount due. We will not accept an invoice or debit memo from any customer. This will in no way affect your responsibility for payment of product sold to you. It will not reduce the amount owed, and will not be entered into our receivable ledger.

<u>Prices:</u> All prices are subject to change without notice and are exclusive of any shipping, packaging, or handling charge that may apply. All prices are F.O.B. (Freight on Board) West Haven, CT. Orders will be invoiced at prevailing prices at time of shipment.

<u>Packing & Shipping Charges:</u> All packages requiring foam pack will be charged \$17.50 net per box. Typically, all fireclay, glass, and vitreous products will be foam packed and sent via common carrier. Any freight shipments shipping on a pallet will require a \$9.50 per pallet charge over and above the shipping charges. For common carrier shipments, it is recommended to group as many items together as possible to bring down the cost per unit. Please feel free to call us for a shipping quote if you are not familiar with typical charges for our industry.

<u>Dimensions:</u> All dimensions shown are approximate - slight variations may occur during manufacturing, particularly glass and fireclay products. Dimensions are not guaranteed, but are shown for customer convenience.

<u>Pictures:</u> All photos shown in this price list are intended as general description only. They may not present an absolute likeness to the actual product being shipped.

**Shipping Weights:** Weights as shown are approximate. Weights are not guaranteed, but are shown for customer convenience.

<u>Delivery:</u> Delivery dates are estimated. We will not be liable for damages of any kind, losses by buyer, or legal action as a result of failure to meet confirmed delivery dates.

#### Care and Maintenance of Your Whitehaus Collection® Product

- Avoid contact with citric and other natural acids.
- After you are finished using the sink, rinse out whatever soap is left behind. If you live in an area where the mineral content in the water is high, it is a good idea to wipe out the sink after you rinse it. Wipe the entire surface dry with a clean, soft cloth after each use.
- Clean your sink with a soft sponge and mild dish soap. Do not use cleaners which contain acids, harsh chemicals, or abrasives. Do not scrub or polish the sink.

<u>Stainless Steel Basins:</u> Clean sink weekly with mild soap and water. Wipe the entire surface dry with a dry, clean, soft cloth after each use. Do not use cleaners which contain acids, harsh chemicals, or abrasives. Use a steel wool pad to remove minor scratches, rubbing with the grain in one direction only. Avoid prolonged contact with heavy salt concentration.

Brass Basins: Clean sink with mild brass cleaner and a soft, clean cloth. Wipe the entire surface dry with a dry, clean, soft cloth after each use. Do not use cleaners which contain acids, harsh chemicals, or abrasives.

<u>Drains and Basket Strainers:</u> Clean drain or strainer with mild soap and water. Do not use cleaners which contain acids, harsh chemicals, and abrasives. Do not use heavy-duty liquid drain "snake" cleaners with Special Finishes\* drains and strainers.

<u>Kitchen Faucets:</u> Clean faucet with mild soap and water. Wipe the entire surface dry with a dry, clean, soft cloth after each use. Do not use cleaners which contain acids, harsh chemicals, or abrasives. Gently polish living finishes regularly with faucet wax. Non-living finishes may be maintained with decorative bath fixture cleaner and polish.

<u>Fireclay Sinks:</u> Clean your Fireclay sink with mild soap and warm water or a gentle general purpose cleaner. Wipe the entire surface dry with a clean, soft cloth. Do not use abrasive cleaners, solvents, or metallic wire sponges. To avoid potential stains or damage to the finish avoid soaking dishes for abnormally long periods of time and refrain from leaving coffee grounds or tea bags in the sink. Whitehaus Collection® recommends the use of a protective grid in the bottom of the sink to avoid scuffing from heavy-duty cookware. If scuffing does occur, it can be easily buffed out with Gel Gloss, and a clean, soft, dry cloth.

WHNCMAP3021

oah's Collection stainless steel sinks are unsurpassed in quality and design. Whitehaus Collection® has constructed these sinks from 16, 18, and 20 gauge, 304 stainless steel with an 18/8 chrome and nickel content. The benefit of this quality stainless steel ensures them to be scratch, stain and chip resistant. Many of our sinks are equipped with zero radius corners and full undercoat over noise reduction dampening pads, ensuring a quieter and easier clean up, making it one of the most durable sinks on the market.

Noah's Collection adds beauty to its durability by applying a fine brushing technique that enhances the sheen and luster of the final product. Available in single or double bowl models for undermount, drop-in or front apron applications; your choice of any of our sinks will leave a lasting impression in your kitchen.

# PEARLHAUS

Whitehaus Collection®'s **Pearlhaus** utility sinks are constructed of corrosion resistant 16 gauge 304 series stainless steel and 18/8 chrome/nickel ratio that is easy to maintain, scratch resistant and virtually unbreakable. Complete with 8" predrilled faucet holes, diagonal grooves to channel water directly to the drain, and adjustable reinforced leg supports; these sinks are buffed with a fine brushing technique that enhances the sheen and luster of the final product. Functional, durable and designed to complement any room, our Pearlhaus utility sinks are equipped with zero radius corners, ensuring an easier clean up and are an essential addition to any work space.

WHNPL1818-B

oah Plus Collection stainless steel sinks are constructed out of industrial grade 304 stainless steel, providing the highest quality, durability and resistance to corrosion. With their "near" zero radius corners cleanup and buildup remains at a minimal.

Noah Plus Kitchen stainless steel sinks are all equipped with rear center drain location and four diagonal groves for efficient draining. These amazing sinks display functionality with full undercoat over noise reduction dampening pads, for maximum sound proofing and protection against condensation.

Offered in classic and dynamic finishes, Noah Plus Kitchen sinks includes a matching sink grid for further protection, as well as a matching basket strainer for complete perfection.

# Fireclay

WHSIV3333OR

he fireclay sink takes on new life as it moves into the 21st century. Standing the test of time, it is no longer confined to the farmhouse style; it has become a distinctive design statement not only for the kitchen or laundry room, but also has taken center stage in specialty rooms such as workshops, artist's studios and even greenhouses. Whitehaus Collection®'s Farmhaus Fireclay sinks are attractive, durable, stain-resistant, spacious, and available in a wide variety of styles and colors to suit any décor.

Whitehaus Collection® Farmhaus Fireclay sinks are individually handmade. Sink sizes may vary and all dimensions are approximate. We strongly recommend that your sink be supplied to your cabinetmaker prior to the fabrication of your kitchen cabinets and counter tops. Cutouts should not be made until they are checked against your sink. Whitehaus Collection® recommends the use of a protective grid for the bottom of the sink to avoid potential scuffing from heavy-duty cookware.

### **HIGHLIGHTS**

- The A+ grade, extra-thick Whitehaus Collection® Farmhaus Fireclay sinks are finished with a glaze coating that provides both durability and shine for the sink's lifetime.
- The specially-formulated glazing process ensures that your sink is stain/scratch resistant and impervious to threatening bacteria from food preparation.

• Denser, thicker, and approximately 30% heavier than regular clay. These characteristics provide a durable, smooth, flat surface not attainable with standard vitreous, making it the ideal material for large fixtures.

### **OFCH2230** UTILITY SINK

# **Power and Efficiency**

Whitehaus Collection® pushes the limit with the powerful cyclonehaus® high efficiency garbage disposal. Built to withstand the test of time, this one horsepower, 2500 RPM silent operating garbage disposal comes complete with UL approvals, and includes tested splash guard, easy snap on connection and on/off air switch function. The solid flange and interior padding ensures the quality and secure fitment of this superior product, allowing for quiet operation and minimal vibration. Septic safe as well as dishwasher-connection ready, and with an easy install that twists and locks into place, this is the ultimate choice. When it comes to power, the cyclonehaus® garbage disposal rises above the competition and is recommended for all Whitehaus Collection® sinks.

### COLD DRINKING WATER FAUCET

### A Fundamental Asset in Today's Kitchen

Whitehaus Collection®'s Point of Use Instant Hot, Hot/Cold and Cold water faucets are a fundamental asset in today's kitchen. Opt for the one that fits your lifestyle. A cold glass of water on the run, a quick cup of steaming water or an option for both, you will wonder how you managed without one. Our stylish, high quality, Point of Use faucets are available in a variety of finishes, handles and spouts. Complete your décor with one to complement our other Whitehaus Collection® products such as kitchen faucets, soap dispensers and pot fillers.

### POWER YOUR POINT OF USE

The Forever Hot® WH-TANK2 stainless steel heating tank was created to be used exclusively with Whitehaus® Point of Use hot water faucets. This tank has the ability to produce up to 60 cups of steaming hot water an hour, at your choice of temperature between 140°F-200°F. Easy to use, simply wait for the indicator light to notify you that your desired temperature has been reached. This tank will power your point of use faucet, providing unparalleled convenience to your kitchen.

# WH-TANK2 HOT WATER TANK

### Overall Dimensions:

Length: 8½" Width: 7¾" Height: 12"

10 lbs.

**ForeverHot**® heating tank is exclusively for use with all our instant hot water faucets.

- Tank provides up to 60 cups of hot steaming water (200°) per hour.
- Heating tank has a large ¾ gallon stainless steel tank.
- Self-resetting circuitry to protect the tank in case of dry start.
- Easy access thermostat for simple finger tip adjustment from 140°-200°.
- Indicator light that displays when desired temperature is reached.
- UL and CSA listed.

#### Whitehaus Collection® products carry a full warranty against manufacturing defects and workmanship.

Whitehaus Collection® products are warrantied for normal use only and exclude defect or damage caused by or resulting from misuse, abuse, neglect, scratches, dents, abrasives, chemicals or improper installation/care/maintenance (whether performed by a plumber, contractor, service provider, or unqualified person). This warranty does not apply to replacement of components where damage is caused by normal wear and tear, dirt, limescale, aggressive air and water conditions, harsh or abrasive cleansers or materials. A copy of the end-user's original receipt is required as Proof of Purchase to file a Warranty claim. Dealer's purchase order number or Whitehaus Collection® invoice number will not be accepted as Proof of Purchase. If a product is found to be defective, the limit of damage is the cost of the defective material. Whitehaus Collection® reserves the right to discontinue or modify any product or product warranty. This warranty is non-transferable. Whitehaus Collection® is not liable for consequential damage, labor, loss, or expense of any nature whatsoever.

Whitehaus Collection® Stainless Steel Sinks: Whitehaus Collection® Stainless Steel sinks (except Decorative Basin sinks) are warrantied to be free of manufacturing defects of both material and workmanship for a period of **5 years**. Harm caused by improper cleaning, maintenance or installation is the sole responsibility of the purchaser, and is not covered by the manufacturer's warranty. Noah Plus Collection Stainless Steel special finishes (Brass, Copper, Gunmetal, Matte Black) are not covered under warranty.

Whitehaus Collection® Britannia and Isabella Lavatory Sinks: Whitehaus Collection® Vitreous Lavatory sinks carry a limited warranty to be free of manufacturing defects of both material and workmanship. Harm caused by improper cleaning, maintenance or installation are the sole responsibility of the purchaser and are not covered by the manufacturer's warranty. Any cracks and chips due to misuse, damage, or improper installation, whether performed by a plumber, contractor, service provider, or unqualified person, may not be claimed under manufacturer's warranty.

Whitehaus Collection® Decorative Basin Sinks: Whitehaus Collection® Decorative Basin sinks in stainless steel, copper and brass are warrantied to be free of manufacturing defects of both material and workmanship for a period of **5 years**. These handmade sinks are a living finish material, that is by nature, uneven and may vary in color and pattern to where it never stops changing. Therefore, the finish and handmade variations may not be claimed under manufacturer's warranty. Harm caused by improper cleaning, maintenance or installation is the sole responsibility of the purchaser and is not covered by the manufacturer's warranty.

Whitehaus Collection® Bath Faucets: Whitehaus Collection® Bath Faucets and carry a limited warranty to be free of manufacturing defects of material and workmanship (such as the casting of the faucet). Internal components (such as O-rings, cartridges and supply lines) are warrantied for a period of **5 years**. The limited warranty does not apply to damages caused by improper installation, maintenance, modifications, repair, abuse, misuse, neglect or replacement of components where damage is caused by normal wear and tear. This limited warranty does not cover, and Whitehaus Collection® shall not be responsible for, any labor charges, injuries, incidental or consequential damages. Whitehaus Collection® Chrome/Polished Stainless Steel and Brushed Nickel/ Brushed Stainless Steel finishes are warranted for **5 years**. Special finishes\* are warrantied for **1 year** and living finishes carry a **90 day** warranty.

Whitehaus Collection® Waterhaus Bath Faucet Special Finishes: Waterhaus Brushed and Polished Stainless Steel finishes are warrantied for 5 years. Special finishes (Brass, Copper, Gunmetal) are covered under warranty for a period of 1 year.

Whitehaus Collection® Magic Flush® Toilets: Whitehaus Collection® toilets are warrantied to be free of manufacturing defects of both material and workmanship for a period of **5 years**. Internal components (such as parts for valve assembly) are warrantied for **1 year**. Harm caused by improper cleaning, maintenance or installation is the sole responsibility of the purchaser and is not covered by the manufacturer's warranty. Whitehaus Collection® warranty does not extend to any consequential damage, labor, loss, or expense of any nature whatsoever.

Whitehaus Collection® Medicinehaus and Musichaus Medicine Cabinets: Whitehaus Collection® Medicinehaus and Musichaus medicine cabinets carry a limited warranty to be free of manufacturing defects of material and workmanship. Electronic components (such as the FM radio, built-in speakers, electric outlet, and defogger) are warrantied for a period of 1 year. The limited warranty does not apply to damages caused by improper installation, maintenance, modifications, repair, abuse, misuse, neglect or replacement of components where damage is caused by normal wear and tear. This limited warranty does not cover, and Whitehaus Collection® shall not be responsible for, any labor charges, injuries, incidental or consequential damages.

Whitehaus Collection® Bath Accessories: Whitehaus Collection® Drains and Traps, LED Mirrors, Touchless Faucet Aerator, Hand-held Bidet Sprayer Set, and Soap Dispensers carry a 1 year warranty against manufacturer's defects. Accessories in Chrome and Brushed Nickel finishes have a 1 year warranty. All other special finishes\* carry a 90 day warranty.

Whitehaus Collection® Replacement Parts: Whitehaus Collection® Replacement Parts are FINAL SALE and carry a 90 day warranty.

\*Faucet Special Finishes: Brass, Antique Brass, Polished Brass, Copper, Antique Copper, Polished Copper, Pewter, Polished Nickel, Satin Chrome, Gun Metal, Oil Rubbed Bronze, White and Black. Please be advised that all special finishes within Whitehaus Collection®'s product offering may vary due to the nature of raw materials during finishing process. All special finishes will blend but may not be exact.

### **TERMS AND CONDITIONS**

112

Returns: All goods must be counted and inspected within 24 hours of delivery. Please contact our Returns Department toll-free at (800) 527-6690, Monday through Friday 9:00 AM to 5:00 PM EST, prior to making a claim for defective merchandise. No merchandise may be returned for credit or replacement without Return Goods Authorization request and approval. No item will be accepted for return more than 30 days from date of shipment from manufacturer. All Farmhaus Fireclay sinks are Final Sale and will not be accepted for return under any circumstance. Installation constitutes acceptance of the product. Authorized returns must be received by Whitehaus Collection® prior to the RGA expiration date. RGAs will not be reissued for expired returns. Returned merchandise must be in quality resalable condition and shipped prepaid in its original packaging. A restocking fee of 35% will be applied to all resalable items returned that are found not to be defective. All returns with Re-orders are subject to a 15% restocking fee. Re-orders must be submitted within 14 days of the Original Order. Re-orders received after the 14 day period will be processed as Regular Orders and the returned items will be subject to a 35% restocking fee.

To expedite the processing of Returned Goods Authorization requests, please complete all fields on the RGA request form, including a detailed reason for return, list of repairs attempted, and original invoice number. **No** returns will be accepted without this information. Whitehaus Collection® is not responsible for any delays in delivery which are beyond our control such as strikes, delays in transportation or production, or any contingencies of similar character.

# Authorized Returns for manufacturer's credit only. Unauthorized Returns will be shipped back to the Customer at the Customer's expense.

<u>Damaged Items</u>: Damaged items are not the same as defective items. All shortages and visible damage should be noted on the original Bill of Lading before it is signed. If an item is received damaged, you or your customer have the responsibility of reporting all shortages, visible and concealed damages to Whitehaus Collection® within 48 hours of delivery. Whitehaus Collection® will not accept these items for return. Whitehaus Collection® will not be held liable for any shortages or damages if a claim is not reported within the designated time frame. Please take digital photos of all shipping materials and packaging as well as the damage to the item and e-mail the images to: info@whitehauscollection.com or analia@whitehauscollection.com. If you are not sure if the item you received is damaged or defective you have the responsibility to contact Whitehaus Collection® within 48 hours of delivery at (800) 527-6690.

<u>Defective Items</u>: All defective items are subject to inspection by Whitehaus Collection<sup>®</sup>. Please be prepared to provide photographs or return the product for inspection if requested. Whitehaus Collection<sup>®</sup> will repair or replace defective items at its discretion. An additional charge will be incurred, when necessary, for reconditioning. Variations in color, shade, grain, tonality, veining, and texture are inherent characteristics thereof and not defects. **Rush shipping will be at the expense of the user.** 

<u>Cancellations</u>: Cancellation requests must be submitted in writing via facsimile to our order department at (800) 694-4837. Orders may not be cancelled without the expressed written permission of Whitehaus Collection®. Written cancellation of back-ordered items must be received via fax and confirmed by Whitehaus Collection® prior to shipment. Special Order items as listed in this price book, and sinks with extra hole drilling, may not be cancelled.

Terms of Sale: 2% 10 days/net 30 days from date of invoice. The 2% cash discount is not extended to C.O.D. shipments. A late payment charge of 1½% per month will be applied to all past due invoices; annual rate of 18%. It is agreed that all expenses incurred for collection as well as attorney fees, if necessary, will be added to the amount due. We will not accept an invoice or debit memo from any customer. This will in no way affect your responsibility for payment of product sold to you. It will not reduce the amount owed, and will not be entered into our receivable ledger.

<u>Prices</u>: All prices are subject to change without notice and are exclusive of any shipping, packaging, or handling charge that may apply. All prices are F.O.B. (Freight on Board) West Haven, CT. Orders will be invoiced at prevailing prices at time of shipment.

Packing & Shipping Charges: All packages requiring foam pack will be charged \$17.50 net per box. Typically, all fireclay, glass, and vitreous products will be foam packed and sent via common carrier. Any freight shipments shipping on a pallet will require a \$9.50 per pallet charge over and above the shipping charges. For common carrier shipments, it is recommended to group as many items together as possible to bring down the cost per unit. Please feel free to call us for a shipping quote if you are not familiar with typical charges for our industry.

<u>Dimensions</u>: All dimensions shown are approximate - slight variations may occur during manufacturing, particularly glass and fireclay products. Dimensions are not guaranteed, but are shown for customer convenience.

<u>Pictures</u>: All photos shown in this price list are intended as general description only. They may not present an absolute likeness to the actual product being shipped.

Shipping Weights: Weights as shown are approximate. Weights are not guaranteed, but are shown for customer convenience.

**Delivery:** Delivery dates are estimated. We will not be liable for damages of any kind, losses by buyer, or legal action as a result of failure to meet confirmed delivery dates.

### CARE AND MAINTENANCE

113

#### Care and Maintenance of Your Whitehaus Collection® Product

- Avoid contact with citric and other natural acids.
- After you are finished using the sink, rinse out whatever soap is left behind. If you live in an area where the mineral content in the water is high, it is a good idea to wipe out the sink after you rinse it. Wipe the entire surface dry with a clean, soft cloth after each use.
- Clean your sink with a soft sponge and mild dish soap. Do not use cleaners which contain acids, harsh chemicals, or abrasives. Do not scrub or polish the sink.

<u>Stainless Steel Basins</u>: Clean sink weekly with mild soap and water. Wipe the entire surface dry with a dry, clean, soft cloth after each use. Do not use cleaners which contain acids, harsh chemicals, or abrasives. Use a steel wool pad to remove minor scratches, rubbing with the grain in one direction only. Avoid prolonged contact with heavy salt concentration.

<u>Bath Faucets</u>: Clean faucet with mild soap and water. Wipe the entire surface dry with a dry, clean, soft cloth after each use. Do not use cleaners which contain acids, harsh chemicals, or abrasives. Gently polish living finishes regularly with faucet wax. Non-living finishes may be maintained with decorative bath fixture cleaner and polish.

<u>Drains</u>: Clean drain with mild soap and water. Do not use cleaners which contain acids, harsh chemicals, and abrasives. Do not use heavy-duty liquid drain "snake" cleaners with specialty finish drains and strainers.

# Highest Quality, Durability and Resistance

The stainless steel sinks of the **Noah Plus Collection** are constructed out of industrial grade 304 stainless steel providing the highest quality, durability and resistance to corrosion. With "near" zero radius corners cleanup and buildup remains at a minimal, keeping the look of your sink as captivating as ever. The **Noah Plus Bath** stainless steel sinks all are equipped with center drain location and four diagonal groves for efficient draining. These sinks also feature full undercoat over noise reduction dampening pads for further sound proofing and protection against condensation. Redefine your bathroom with a **Noah Plus** semi-recessed or above mount sink, offered in your choice of the classics to our dynamic finishes with matching drain included.

**Noah Plus** heavy duty, **10 gauge** frame, rectangular above mount basin set with matching center drain.

- 18 gauge bowl, 304 series stainless steel
- Dynamic finishes for enhanced lasting protection (Brass, Copper, Gunmetal and Matte Black)
- Four diagonal grooves for efficient draining
- Near-zero radius corners
- Full undercoat over noise reduction dampening pads

# MEDICINE CABINETS

hitehaus Collection's Medicine Cabinets are the perfect integration of storage and luxury for your bathroom. Made of easy to clean, corrosion resistant anodized aluminum, enjoy a completely new experience with a medicine cabinet that really has it all.

Stylish and highly functional, **Musichaus** surfacemount cabinets have the ability to play your favorite music via USB, SD Card, Bluetooth or FM radio through its built-in speakers. These also come equipped with an inner door plug outlet, defogger, blue-lit LED power button and a dimmer for the framed lighting around the cabinet. The double faced mirror door, mirror faced back wall, two height adjustable shelves and soft-closing hinges are the final touch, making Musichaus the ultimate choice for any décor.

Recessed or surface mounts, single or double doors, **Medicinehaus** is available in different shapes and sizes. The double-faced mirror door and a mirror-faced back wall provide you with reflections from every angle, and the adjustable glass shelves let you change shelf height to suit your needs. As the final touch of luxury for your bathroom, Medicinehaus Cabinets will create the absolute focal point in your space.

Musichaus single door anodized aluminum cabinet with USB, SD card, and Bluetooth compatibility, FM radio, two built-in speakers, electric outlet, defogger, and blue-lit LED power button and dimmer for light around the front.
